FORMER MEMBER UPDATE

Dwayne and Shirley Delong: They enjoy receiving the Newsletter, and like to keep up with what the chorus is doing. Dwayne is singing with two choruses; Napa, and The Voices Of California. (which will be singing in Las Vegas, this July) The VoCAL, presented their 2013 Barbershopper of The Year award, to both Dwayne and Shirley, for their hard work, and this year surprised Shirley with the "Support our Singers" award, for her work with the VoCal Mates women's auxiliary. They will be visiting with us this summer, after International, and welcome everyone to come to Napa, whenever you are in California. Happy to hear from them, and look forward to their visit!
